VITYARTHI PROJECT

DIGITAL LITERACY

1 WHAT IS DIGITAL LITERACY?

Digital literacy means the ability to use digital devices, internet tools, and online platforms safely, smartly, and effectively.

2 USEFUL DIGITAL TOOLS FOR STUDENTS

- Google Docs → for notes and assignments
- Canva → for presentations and posters
- Google Drive → for storing files
- Zoom / Google Meet → for online classes
- ChatGPT / AI tools → for learning support

3 SAFE INTERNET PRACTICES

- Use strong passwords
- Do not share personal information
- Avoid suspicious links
- Use trusted websites only
- Log out from public devices

4 PROFESSIONAL ONLINE PRESENCE

- Use a professional email ID
- Keep LinkedIn / GitHub profile clean

5 DIFFICULTY FACED

One difficulty I faced while making this project was arranging all the information in a single infographic in a neat and attractive way. It was challenging to include important points without making the design look crowded, so I had to carefully choose short text, suitable icons, and a proper layout.
